Originality and Use of Artificial Intelligence Declaration

I, _____ (Application No.: _____), declare that the works provided in my portfolio are original and created by myself. If it is group work, I have indicated my role and my contribution in the work clearly in the portfolio. I have not used artificial intelligence (AI) tools to generate any part of this portfolio unless explicitly indicated, in which case I have clearly specified the AI-generated portions. I understand that The Education University of Hong Kong will retain this declaration. Any evidence of untruthful information, plagiarism, or undisclosed AI-generated content during the admission process will result in immediate exclusion. If discovered after admission, it may lead to dismissal from the university.
